

# Aaron Lines, I Will Be There

I don't need no sign.  
Don't need no map.  
Baby I know right where I'm at,  
With you.  
I never thought there'd be a time,  
But when I felt you're hand in mine,  
I knew.

So if you're thinking this is something that,  
Feels so good it could never last.  
Lemme take that worry from your mind.

I'll tell ya.

Chorus:

I, I will be there.  
Like heaven, earth, and water baby.  
I, Wanna breathe the same air.  
The same air, that I know you're breathing, Honey.  
Every morning, noon, and night, You'll see.  
That I'll never be that far out of you're reach.  
I will be there.

Well I must admit, I'm new at this.  
But you've got something I can't resist, somehow.  
Like a horseshoe magnet, and a paper clip,  
baby I'm drawn right to your lips right now.

So if you're thinking I could walk away,  
Baby I'm afraid it's a little late.  
I've already crossed the promised line.

And I'll tell ya.

(Chorus)

Yeah...

So if you're thinking this is something that,  
Feels so good it could never last.  
Lemme take that worry from your mind.

And I'll tell ya...

I, I will be there.  
Yeah.  
I will be there.  
I sware!

I, I will be there.  
Like heaven, earth, and water baby.  
I, Wanna breathe the same air.  
The same air, that I know you're breathing, Honey.

I will be right there!

Yeah!

Yeah!
