

# Aaron Neville, Can't Stop My Heart From Loving You

Composer: diane warren

Hey...hey...hey...whoa...whoa...  
Oh...

You can think that I'm just playin' games  
You can think I'll do you wrong  
You can think that I don't mean a word I say  
You can think what you want [what you want]

But if you think you're gonna stop the way  
I feel about you  
Baby, you're just wastin' your time  
cause I'm not changing my mind

Can't stop the rain from falling down, oh  
Can't stop the world from turnin' round, oh  
Can't stop my heart from loving you  
No, no [no, no], no matter what you do, baby

You can trust that I'm gonna stay around  
You can trust I'll treat you right [i treat you right]  
You can be sure that I won't ever let you down  
Sure as there are stars in the night [in the night]

And if you ever think there'll come a day  
I'll live without you  
Baby, you're as wrong as can be  
Can't change the way that I feel

Can't stop the rain from falling down, oh  
Can't stop the world from turnin' round, oh  
Can't stop my heart from loving you  
No, no (no, no), no matter what you do, baby

Can't stop a river running free, no  
Can't stop this love I feel in me, no  
Can't stop my heart from loving you  
No, no (no, no), no matter what you do, baby

Can't stop the wind, can't stop the sea  
Can't stop the feelin' I feel in me  
Night needs the stars, stars need the sky  
And I'll always need you here in my life

Oh, oh, oh  
Can't stop my love, can't stop my heart  
I'm in too deep, I've gone too far (oh...oh...)  
Never gonna stop, never gonna stop  
Lovin' you, oh, oh, oh

But if you think you're gonna stop the way  
I feel about you  
Baby, you're just wastin' your time  
cause I'm not changing my mind

Can't stop the rain from falling down (just can't stop the rain)  
Can't stop the world from turnin' round (can't stop, oh)  
Can't stop my heart from loving you (my heart, baby)  
No, no [no, no], no matter what you do, baby

Can't stop a river running free  
Can't stop this love I feel in me

Can't stop my heart from loving you  
No, no (no, no), no matter what you do, baby

Can't stop the rain from falling down (I'm here by your side)  
Can't stop the world from turnin' round (I'm gonna love you forever)  
Can't stop my heart from loving you (can't stop my heart from loving you)  
No, no (no, no), no matter what you do, baby
