Aaron Neville, Crazy Love

(Van Morrison) Featuring Bobbie Robertson I can hear her heartbeat from a thousand miles And the heavens open up every time she smiles And when I come to her that is where I belong And I'm running through her like a rivers song She gives me love, love, love, love, crazy love She gives me love, love, love, love, crazy love She's got a fine sense of humor when I'm feeling low down And I'm coming to her when the sun goes down Take away my troubles, take away my grief Take away my heartaches in the night like a thief She gives me love, love, love, love, crazy love She gives me love, love, love, love, crazy love And I need her in the daytime (I need her) And I need her in the night (I need her) And I want to throw my arms around her Kiss and hug her, kiss and hug her tight When I'm returning from so far away Gives me some sweet loving, brightens up my day And it makes me righteous and it makes me whole And it makes me mellow right down to my soul She gives me love, love, love, love, crazy love She gives me love, love, love, love, crazy love
