

# Aaron Neville & Smokey Robinson, Just to See H

Just to see her  
Just to touch her  
Just to hold her in my arms again  
One more time  
If I could feel her warm embrace  
See her smilin' face  
Can't find anyone to take her place  
I've got to see her again  
I would do anything  
I would go anywhere  
There's nothin' I wouldn't do  
Just to see her again  
I can't hide it, no  
I can't fight it  
It's so hard to live without the love  
She gave to me  
Doesn't she know it  
I tried hard not to show it  
Can't I make her realize that she  
Really needs me again  
I would do anything  
I would go anywhere  
There's nothin' I wouldn't do  
Just to see her again

She brightened up my everyday  
Made me feel so good in every way  
If I could have her back to stay  
I've got to see her again  
Just to see her, I want to see her  
Just to hold her, hold her, hold her, hold her  
Just to see her, see her  
Just to touch her, touch her  
I would do anything  
I would go anywhere  
There's nothin' I wouldn't do  
Just to see her again  
She brightened up my everyday  
Makes me feel so good in every way  
If I could have her back to stay  
I've got to see her again  
Just to see her good, want it, want it, want it  
Just to see her, made me feel so good  
Just to see her, if I, if I could only see her again  
Just to see her, there's nothing I wouldn't do  
Just to see her, oh, don't you know it's true  
Just to see her, if I could only see her again
