

# Aaron Neville, The Bells

(Elgie Stover, Marvin Gaye, Anna Gordy Gaye, Iris Gordy)

I'll never hear the bells if you leave me

I'll never hear the bells

I'll never hear the bells if you leave me

I'll never hear the bells

Do you hear what I hear

Your lips are kissing mine

Can you hear the bells darling

Can you hear them when I'm kissing you

What do I have to do to make you feel the tingling too

Can you hear the bells darling

Can you hear them when I'm kissing you

Oh yeah

Oh, I hear the bells, ringing in my ear

Tell me do you love me, do you love me, do you love me like I love you

Oh, it's one thing that I want you to remember

If you ever leave me I believe I'll go insane

And I'll never hear the bells again

No, I'll never hear the bells again

No, I'll never hear the bells again
