## Aaron Neville, The Look

Is it possible maybe to have a love so strong

That nothing could ever compare

I'm holding back nothing just for the look in your eyes

So baby don't be surprised

Well I want to know what makes your world go round

And I want to hear your voice for the sound

A love that defines all I've had in mind

Now I'm holding back nothing for the look in your eyes

Impossible, maybe, but worth one last try

I'm waiting on your reply

I'm sitting here patiently just for the chance that I might be able to hold you tight

And I want to know what makes your world go round

And I want to hear your voice for the sound

A love that defines all I've had in mind

Now I'm holding back nothing for the look in your eyes

Now time is all that we have

So won't you let me inside your perfect world for one night

Just open up for me

Girl I swear that I will be everything you've ever thought a man should be

And I want to know what makes your world go round

And I want to hear your voice for the sound

A love that defines all I've had in mind

Now I'm holding back nothing for the look in your...

I can see the way you're lookin' back at me

Oooh... Could it be that you see what you want to see

Just let your eyes believe it

I'll never lie to you, in my arms you will be, forever and I...

I'm holding back nothing for the look in your eyes

The look in your eyes...
