

# Aaron Tippin, These Sweet Dreams

You reach out and touch me and tell me you love me  
And promise that you always will  
But as I start to kiss your tender lips  
I wake up to my living hell  
These sweet dreams are killin' me  
Your heavenly memory is pure misery  
I'm losing my mind one night as a time  
These sweet dreams are killin' me

When sleep comes I hold you just like I used to  
In a world where our love still lives  
But each mornin' I wake as I feel my heart break

When I lose you all over again

These sweet dreams are killin' me  
Your heavenly memory is pure misery  
I'm losing my mind one night as a time  
These sweet dreams are killin' me

These sweet dreams are killin' me  
These sweet dreams are killin' me
