Aaron Watson, What's Her Name G I swore Id never love again a promise I'd keep till the end But then you made a liar out of me But even a man of his words can't talk his way out of the hurt C G When everything reminds him of his old used to be CHORUS: D C But you made me forget about G D C G D What's her name I can't remember a thing because my mind is always on you G С G D I just draw a blank every time I try to think about the girl who tore my heart in two C D You made me forget about, what's her name G С Girl I was down and out without a shadow of a doubt D C G Until you shined your love light on me G С I lost my faith in love my soul had given up D C G It took a miracle to make me believe CHORUS: С D But you made me forget about C D

What's her name I can't remember a thing because my mind is always on you

G		D	С		G
I just draw a blank every time I try to think about the girl who tore my heart in two					
D	С				
You made me forget about					
G	I)	С	G	D
What's her name I can't remember a thing because my mind is always on you					
G		D	С		G
I just draw a blank every time I try to think about the girl who tore my heart in two					
D	С	G			
You made me forget about, what's her name
