

# Abandoned Pools, Sooner Or Later

Well sooner  
or later  
It's all coming down  
I float  
down a river  
Above my own town  
I will fight fire with fire  
I will take an eye for every eye  
I've got my finger on the trigger  
I've got you in my sight

Well sooner  
or later  
It's all coming down  
And high  
above the city  
I ride the wave down

And you won't be stopped till you crush me  
And you won't be stopped till you kill us all  
But I've got the ultimate weapon  
I'm sick of dangling question marks

Well I've got my ducks in a row  
Got my head on straight

Cause I know what's love  
When the universe breaks my heart  
Sooner or later it all comes out in the end  
For now hell is all the people  
cause the devil said so

Well I've got my ducks in a row  
Got my head on straight  
Cause I know what's love  
When the universe breaks my heart  
Sooner or later it all comes out in the end  
For now hell is all the people  
cause the devil said so

Sooner or later  
Sooner or later  
Sooner or later  
Sooner or later  
It's all coming down

I will fight fire with fire  
I will take an eye for every eye  
I've got my finger on the trigger  
I've got you in my sights
