

# Abbey Lincoln, Should've Been

There's a sound comes from livin'  
Somewhere in the past  
When the grass was greener  
And we found true love at last  
It's the sound of sorry  
Lookin' yonder with regret  
Sorry 'cause of what you got  
And what you didn't get  
Could've been another song  
Would've been a sing along  
Could've been, would've been  
Should've been  
Could've been another world  
Where true thoughts of love unfurl  
Could've been, would've been  
Should've been  
But here we are, we are here  
Here's to life, give a cheer  
Here am I, here are we  
Here's to you, here's to me  
After all is said and done  
There was laughter, we had fun  
It was life, it was love  
Should've been  
But here we are, we are here  
Here's to life, give a cheer  
Here am I, here are we  
Here's to you, here's to me  
After all is said and done  
There was laughter, we had fun  
It was life, it was love  
Should've been  
It was life, it was love  
Should've been
