

# Abby 6, Blame

Intro

up from the ground you will rise  
then come to know the real prize

Chorus

i don't want to scare you  
oh you should see me now  
yesterday's events were true  
oh you should see me now  
love a pain  
kiss a sorrow  
oh you should see me now  
you wanna see  
you wanna feel  
you wanna take a breath  
the arms are crossed to show you  
make a promise to the best  
you want in here they come  
you're gonna be with the rest  
up up up get em up  
get em up, get em up  
get em up

Intro

you will then come to know the real

Chorus

you wanna see  
you wanna feel  
you wanna take a breath  
the arms are crossed to show you  
make a promise to the best  
you want in here they come
