

Abby 6, Poor Love

poor love, poor love,
poor love
did you know your soul
it has no reputation
so you better hope your heart,
hope it has reputation, yeah!

Chorus

poor love, poor love,
it's my poor love, poor
love, it's mine, poor
love, it's mine, poor love
did you know your eyes,
they have no destination
so follow-low your mind
and all it's complications,
yeah!

Chorus

check 'em out.
check him out.
even god had to come yeah

REPEAT

kurt Kobain where's he at?
just another taken.

REPEAT

Chorus
