

# Abby Normal, Human Stew

God may be an astronaut  
Oz is over the rainbow  
Fairytale are only make believe  
Tell me where do the monsters play

They've only got a million miles to go  
The final frontier brings a brand new foe  
Galactic race has the space for you  
The special sauce in the human stew  
EARS, ARMS, & EYES  
HANDS, FEET, & THIGHS

Oz is owned by astronauts  
Fairytale are full of rainbows  
God may be only make believe  
Tell me where do the monsters prey
