

# Abdul Paula, Cry For Me

Abdul Paula  
Head Over Hills  
Cry For Me  
Close my eyes at night  
Who do I see  
Standing right in front of me  
Is it the one I try to forget  
From my heart all my tears they flow  
Never wanting to let you go  
But somehow I did  
You were out to  
Cry for me  
Pray that I can somehow see  
I have nothing left to cry for you  
tears they flow  
Never wanting to let you go  
But somehow I did  
You were out to  
Cry for me  
Pray that I can somehow see  
I have nothing left to cry for you  
You will have to  
Cry my tears  
Pray I let go of my fears  
I have nothing left to cry for you  
I don't know where I got on  
Where I let go  
But somehow I thin  
[Chorus]  
I'd love to forget about way back when  
And forgive you of the hurt again  
But I've tried, oh I've tried  
So you will have to  
[Chorus]  
Cry for me.
