Little Old Lady

Little old lady passing by,

Catching everyones eye,

You have such a charming manner,

Sweet and shy.

Little old bonnet set in place,

And a Smile on your face,

Youre a perfect picture in your

Lavander and lace.

Little bit of business here,

Little bit of business there,

Bet that youve been window shopping

All around the square.

Little old lady, time for tea

Heres a kiss, two or three,

Youre just like that little old lady,

I hold dear to me.
