Aberfeldy, 1970s

There's some thing wrong inside of you
If you can do the things you do
You do the whole world wrong
Can tell you don't you don't belong

One minute everything was fine
And then you crossed over the line to
Find me capture you
What are you going to do?

You dress as if it was the 1970's
You say "that's heavy"
But you don't know what it means

You dress as if it was the 1970's
You say "far out, man"
But you don't know what it means

I don't believe I can be friends
With someone like you who just pretends
That you're gonna give me someone
You never give me none

You dress as if it was the 1970's
You say "I love you"
But you don't know what it means
