

Aberfeldy, Never Give Up

Take a look around you
Tell me what you see
An awful lot of famous people
Less talented than me

I want to get a name now
I'm eager to achieve and
I wasn't born yesterday
So you better believe

That I'll never give up now
It's too late to stop now
No matter what you think of me
I still believe in me
Never give up no!
Not till I drop
Down on my knees

Never give up now, you can never give up now

The talent I was given
To keep it inside
Would be criminal wrong now it's impossible to hide
I'm gonna get an agent
I'm gonna get in
Could some who'll arrange it
'Cos I know that i can win

I'll never give up no
It's too late to stop now
No matter what you say to me
I still believe in dreams
Never give up no!
Not till I drop
Down upon my knees

Never give up now, you can never give up now

You'd have to steal, cheat or
Lie your way from the bottom
All the way to the top
Bribery buys your way every night and day
You can never give up

Well look at all the fools now
Queing in line
They ain't getting anywhere
But bless them all for trying

I'll never give up no
It's too late to stop now
No matter how you put me down
Stick around now
Never give up no!
Not till I drop
Down upon my knees

Never give up now, you can never give up now
