

Aberfeldy, Out Of Love

So sad you're leaving
You're sorry too
But there's no point in grieving
What good does it do?

Time and time
I've tried to make you change your mind
Cared so much about you
Girl, my love is blind

My love is blind, girl
It's deaf and it's dumb
You treat me unkind, girl
I'm under your thumb

I was thinking of a place
I never told you of
That's the type of thing that happens
When you're out of love

For the first time
And maybe the last
No hope for the future
And none in the past

So I sit in my bedroom
Stare at the wall
Find myself wondering
What's the point of it all

Find it hard to think of how to spend the day
Ever since the one I love has gone away

Time and time
I've tried to make you change your mind
Cared so much about you
Girl, my love is blind
