

# Abigail, Charge!

I am bastard evil angel  
Worship blood and fire  
Now you doing, slow and terrifying, really band fell  
Fighting beating nothing holds the storm  
Die die die  
Charge!  
I love the dead, Satan's revenge  
Let the deadly game begin  
I'm standin' proud, I'm shot on your thacks  
Screaming to fuckers  
Fighting beating nothing holds storm  
Die die die
