

# Abigail Washburn, Deep In The Night

Deep in the night  
I hear the darkness  
Bones tell the body  
rest in its arms  
I hear the calling  
of life's sweet embrace  
resting too soon

Deep in the night  
I feel the stardust  
Blue tells the heavens  
fall from the sky  
I feel the shadows  
of time's own longing  
falling away

Deep in the night  
I pray a candle  
to tell the snowfall  
wait for sunrise  
I pray a halo  
of man's cold morning  
holds to the light

I pray a halo  
of man's cold morning  
holds thru the night
