

Abigail Washburn, Rockabye Dixie

Me and Dixie, we'd waste away
Sleep thru the night and all the next day
Sleep thru the sun, rain, and moon
here in this room

Oh, rockabye my Dixie child
Oh, rockabye my Dixie child

Me and Dixie, we rolled and dreamed
Time held us alone in this world it seemed
Then morning broke and awoke
you from me

So, come back Dixie, I'll rock you to sleep
Back to our dreams, our twisted sheets
Cradle your fading stars
in my arms
