

# Abigail Washburn, Rockabye Dixie

Me and Dixie, we'd waste away  
Sleep thru the night and all the next day  
Sleep thru the sun, rain, and moon  
here in this room

Oh, rockabye my Dixie child  
Oh, rockabye my Dixie child

Me and Dixie, we rolled and dreamed  
Time held us alone in this world it seemed  
Then morning broke and awoke  
you from me

So, come back Dixie, I'll rock you to sleep  
Back to our dreams, our twisted sheets  
Cradle your fading stars  
in my arms
