

Above & Beyond Feat. Zo, Good For Me

To be with you is easy
I know you're good for me
This feeling inside me
Oh, it sends me sky high
To feel for you is easy, oh baby
I know your good for me
This feeling inside me
Oh, it sends me sky high
You're good for me, my baby
So good for me my love
You're good for me, my baby
So good for me oh love
