

Abscess, Anally Impaled

Anally impaled stake up your ass feel it pierce your insides
Anally impaled weights on your ankles down the pole you
Slowly slide anally impaled impalement pole stained with
Blood fresh coat dribbles down anally impaled no breath
To gasp with lung is punctured out penetrated by the
Whorish pole where countless have been raped punishment
Extreme, sliding southward day by day taste your shit on
The pole grazing your tattered tongue internal shishkabob
Excrements and blood are one sphincter muscle buckles
Tearing wider 'til it splits ruined asshole ruined life anally
Impaled
