

Abscess, Die Pig Die

Die Pig Die

As I Clutch My Hands Around Your Throat

Die Pig Die

As I Watch Your Eyes Begin to Bloat

Die Pig Die

You Will Taste My Defecation Soon

Die Pig Die

Now I Stab Your Stomach, Face is Blue

Die Pig Die

Putrid Pile of Fucking Human Waste

Die Pig Die

Let My Anger Flow, Won't Hesitate

Die Pig Die

Bloody Vengeance Guts Are Spilled, Blood Flows

Die Pig Die

With My Finger Jammed up Your Split Nose

Die

Because I Tell You So I'll Look You in the Eye As I Strike The Mortal Blow

You Gasp and Bleed and Wheeze and Piss

I'll Bless Your Throat with my Razor's Kiss

Die like a Pig Cause That's All you are to Me

You're Only Shit Underneath My Shoe

Die like a Pig Let me Hear you Squeal

You'll Suffer and Beg Before I'm Through
