

# Abscess, Sink, Drown, Die

Senses raped  
Darkness Muttering  
Strangling, Cluttering  
At your mind  
Reeling from the unseen horror  
Lurking underneath you'll find  
A door past madness  
Black and true  
Chocking back atrocities  
Lost within a Tortured Ocean  
Doomed to sink eternally

[Chorus:]

To Fuck What Can't be Fucked  
To Crush What Can't be Killed  
TO Slash What Cannot Bleed  
TO Drown in Blood Unspilled

Hear the voices Unrelated  
To the world in which you live  
Vile murder spitting tongues  
Once seduced  
You can't forgive yourself  
and all the Blackened gloom  
Clogging out your living veins  
Twisted into futile knots  
Living to be cast in pain

[Chorus]

[leads = C.B., C.D.]
