

# Absynthe Minded, I've Been There (Old Love Never Dies)

If talk could undress your  
Truth from her dress  
I'd be by your side for a while

If words could express what I  
Felt that night  
Then you would be mine  
For all time

If anyone asks me if I know  
What's good for me  
You are my chance to survive

You're my ignorant bliss and I  
Won't get a kiss  
From a girl that got  
Out of my life  
And walked in again

If talk could undress your  
Truth from her dress  
I'd be by your side for a while

If words could express what I  
Felt that night  
Then you would be mine  
For all time

I seem to be outrageously  
Compelled to be by her side

And I don't know what I'll  
Believe in tomorrow  
The girl that got out of my life  
Just walked in again

She walks in so gracefully and  
I've been there before
