AC-DC Flick Of The Switch BEDLAM IN BELGIUM Flick Of The Switch (1983) (Young, Young, Johnson)

The blood in my veins Was running right through my brain There was a cop with a gun Who was running around insane Three fifty arrests No bullet proof vest Now ain't that a shame We wanted to play Play for the crowd No, said the wankers You're on your way out

Bedlam in Belgium Bedlam in Belgium

The place was a jumpin' And the booze was going down There's a curfew in town You've been working overtime We don't play just for pay So we'd like to stay Stay just the same He gave me a crack In the back with his gun I bled so bad I could feel the blood run

Bedlam in Belgium It was bedlam in Belgium Bedlam in Belgium Came for a good time Left on the run. Bedlam in Belgium Who's to blame, it's a shame

Bedlam in Belgium It was bedlam You gonna run out

Stage was stage Cops enraged Crying for more It was war, war, war

Bedlam in Belgium It was bedlam in Belgium Bedlam in Belgium Came for a good time Left on the run. Bedlam in Belgium It was bedlam in Belgium There was bedlam in Belgium It was bedlam And the law got the drop on me
