

# AC/DC, CAN'T STOP ROCK 'N' ROLL

Don't you give me no line  
Better run if you can  
Just like a thorn in my side  
So don't give me no  
Don't you give me no  
Don't you give me no  
Don't you give me no  
lies

you can't stop rock n roll  
you can't stop rock n roll  
Don't you play me no jive  
A bit of fun on the side  
Too much crap make you blind  
So don't give me no  
don't you give me no  
don't you give me no  
don't you give me no  
lies

you can't stop rock n roll  
you can't stop rock n roll  
you can't stop rock n roll  
you can't stop rock n roll  
I said, ah ah ah  
ah ah ah  
ah ah ah  
ah  
yeah  
oh yeah

I said you can't stop rock n roll  
you can't stop rock n roll  
you can't stop rock n roll  
you can't stop rock n roll  
listen everybody say  
ah ah ah  
ah ah ah  
you can't stop rock n roll  
you can't stop rock n roll  
I said you can't stop rock n roll  
you can't stop rock n roll
