(Young, Young, Scott)

I've been around the world  
I've seen a million girls  
Ain't one of them got  
What my lady she's got  
She steals the spotlight  
Knocks me of my feet  
She's enough to start a landslide  
Just walking down the street  
Wearing dresses so tight  
And looking dynamite  
Enough to blow me out  
No doubt about it can't live without it

CHORUS:

The girl's got the rhythm  
The girl's got the rhythm  
She's got the backseat rhythm  
The girl's got the rhythm

She's like a lethal brand  
Too much for any man  
She gives me first degree  
She really satisfies me  
Love me till I'm legless  
Aching and sore  
Enough to stop a freight train  
Or start the Third World War  
You know I'm losin' sleep  
I'm in too deep  
And my body needs love  
No doubt about it can't live without it

CHORUS

You know she moves like sin  
And when she lets me in  
It's like liquid love  
No doubt about it can't live without it

CHORUS

You know she really got the rhythm  
She's got the backseat rhythm  
Rock 'n' roll rhythm  
The girl's got the rhythm
