AC-DC Blow Up Your Video MEANSTREAK Blow Up Your Video (1988) (Young, Young, Johnson)

(Ooh yeah) I've been to the left, I've been to the right I've found myself in Abudhabi, just a mirage in the night Been to the high, I've been to the low And I've been to lots of places that I didn't wanna go But I ain't see nothing to get me off my ass And I laughed at all the jokers wanna make me walk on glass I could walk 'fore I could crawl And I was meaner than a bad dog with his back against the wall

Animal, animal Cannibal, cannibal See 'em fall, see 'em fall I'm the guy that they call -

Meanstreak, I gotta meanstreak Meanstreak, they call me meanstreak

I just don't know who I wanna be The count of Monte Cristo or the sheik of Arabia Eaten rich, and I've eaten free And I'm the perfect culture vulture in the face of poverty And I ain't met no one who told me I got class They say never feed the animal, the boy's got too much flash I'm a guy they just can't teach And I always kick the castle that's been built up on the beach (heh ha)

Animal, animal Cannibal, cannibal See 'em fall, see 'em fall Cause I'm the guy that they call -
