AC/DC, Meltdown

I look at my watch to find out the right time of the day I look at her libido hey hey hey I gotta get up and climb her, to roll her on the hay Makin a sweat, temperature rise all through the day

Man its getting hot hot hot I said man its getting hot hot hot Its getting hotter and hotter Man its getting hot hot Getting hot around here

Its a meltdown Its a meltdown

I got a feelin in my bones I been rackin my brains out all night long Stokin up the fire take it right up to the wire Burnin on and on burnin on

Man its getting hot hot hot I said man its getting hot hot hot Its getting hotter and hotter Man its getting hot hot Getting hot around here

Its a meltdown Its a meltdown Its a meltdown Its a meltdown Meltdown

Man its getting hot hot hot I said man its getting hot hot hot lts getting hotter and hotter And hotter and hotter

Its a meltdown, its a meltdown
Its a meltdown, its a meltdown
Its a meltdown, gonna burn, its a meltdown
I said burn down
It's a meltdown, meltdown, meltdown
It's a meltdown, it's a meltdown
