## AC/DC, MELTDOWN

AC-DC Stiff Upper Lip MELTDOWN Stiff Upper Lip (2000) (Young, Young)

Now I'm gonna watch the fire (?)
Night time or day
Looking at a female
Hey, hey, hey
Gotta get up and come home
And run around the hay
Making her sweat,
Telling her to last all through the day
Man it's getting hot - hot - hot
I said man it's getting hot - hot - hot
It's getting hotter
And hotter
Man it's getting hot - hot
It's getting hot around here

It's a meltdown It's a meltdown

I got a feeling in my bones
I been working my brains out
All night long
Stoke another fire
Take them hard up to the wall
Burn the longest log
Burn me down
Man it's getting hot - hot - hot
I said man it's getting hot - hot - hot
It's getting hotter, and hotter
Man it's getting hot, hot
It's getting hot around here

It's a meltdown It's a meltdown It's a meltdown It's a meltdown

- solo -

Man it's getting hot - hot - hot I said man it's getting hot - hot - hot It's getting hotter
And hotter
And hotter
And hotter

It's a meltdown
It's a meltdown
It's a meltdown
It's a meltdown
It's a meltdown - Gonna burn
It's a meltdown - I said burn, burn
It's a meltdown
Meltdown
Meltdown
It's a meltdown

It's a meltdown
