

AC/DC, R.I.P. (Rock In Peace)

(Young, Young, Scott)

Leave me alone
Like a dog with a bone
Like a stone that's been thrown
Let me be on my own

[Chorus:]
Let me rock
Let me roll
Let me rock
Let me rock in peace

Outta my way
Got a boogie to play
Every dog has his day
Rock 'n' roll's here to stay

[Chorus]
(Feels good, for my mama, just like I knew it would)

I get my kicks
Outta playin' my licks
Outta layin' my chicks
Down on Route 66

[Chorus]
Rock, rock, rock in peace

Outta my way
Got a boogie to play
Every dog has his day
Rock 'n' roll's here to stay

[Chorus]
Rock, rock, rock in peace

Like Little Richard
Oh Jerry Lee
Chuck baby
I wanna rock
Let me rock in peace
