## AC/DC, Rock N Roll Damnation

They say that you play too loud

Well baby that's tough

They say that you got too much

Can't get enough

They tell you that you look a fool

And baby I'm a fool for you

They say that your mind's diseased

Shake your stuff

CHORUS:

And it's a rock 'n' roll damnation

Ma's own whippin' boy

Rock 'n' roll damnation

Take a chance while you still got the choice

You say that you want respect

Honey for what?

For everything that you've done for me

Thanks a lot

Get up off your bended knees

You could set your mind at ease

My temperature's running hot

I've been waiting all night for a bite of what you got

**CHORUS** 

Damnation, they're puttin' you down

Damnation, all over town

Damnation, cause you're way outta reach

Livin' on the streets you gotta practice what you preach

**CHORUS** 

Damnation, left a happy home

Damnation, to live on your own

Damnation, you want to live in sin

Damnation, it's a rock 'n' roll -

Damnation, just a bundle of joy

Damnation, you're a toy for a boy

Damnation, you got dollars in your eye

Damnation, chasin' that pie in the sky

Damnation, rock 'n' roll -

Damnation
