

# AC/DC, Stormy May Day

The storm is raging  
Winds are howling  
The water's calling, rescue you  
A flash of lightning  
At the times a'frightnin'  
A wind is coming  
And the sun don't shine

Rain day May day  
May day Stormy Rain Day  
Rain day May day  
May day Stormy Rain Day

Stormy May Day

The ky is darkening  
The dogs are barking  
Acall for help  
You hope they getyou through  
A clap of thunder  
A split asunder  
The people running  
And the moon doth rise

Rain day May day
