

# AC/DC, The Jack

She gave me the queen, she gave me the king  
She was wheelin' and dealin', just doin' her thing  
She was holdin' a pair, but I had to try  
Her Deuce was wild, but my ace was high

But how was I to know that she'd been dealt with before  
Said she'd never had a full house  
But I should have known  
From the tattoo on her left leg  
And the garter on her right  
She'd have the card to bring me down  
If she played it right

She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, jack, jack, jack, jack, jack, jack  
She's got the jack

Poker face was her name, poker face was her nature  
Poker straight was her game, if she knew she could get you  
She played em fast, and she played em hard  
She could close her eyes, and feel every card

But how was I to know that she'd been shuffled before  
Said she'd never had a royal flush, but I should have known  
That all the cards were coming from the bottom of the pack  
And if I'd known what she was dealing out, I'd have dealt it back

She's got the jack, she's got the jack  
She's got the jack, and who knows what else, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, jack, jack, jack, jack, jack, jack  
She's got the jack

She's got the jack, she's got the jack  
It was a bad deal, she gave me the jack  
She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
Can't you tel she got the jack

She's got the jack, she's got the jack  
She's got the jack, she's got the jack, and it hurts  
She's got the jack, jack, jack, jack, jack, jack, jack  
She's got the jack
