AC/DC, The Jack

She gave me the queen, she gave me the king She was wheelin' and dealin', just doin' her thing She was holdin' a pair, but I had to try Her Deuce was wild, but my ace was high

But how was I to know that she'd been dealt with before Said she'd never had a full house But I should have known From the tattoo on her left leg And the garter on her right She'd have the card to bring me down If she played it right

She's got the jack, she's got the jack She's got the jack, jack, jack, jack, jack, jack She's got the jack

Poker face was her name, poker face was her nature Poker straight was her game, if she knew she could get you She played em fast, and she played em hard She could close her eyes, and feel every card

But how was I to know that she'd been shuffled before Said she'd never had a royal flush, but I should have known That all the cards were coming from the bottom of the pack And if I'd known what she was dealing out, I'd have dealt it back

She's got the jack, she's got the jack She's got the jack, and who knows what else, she's got the jack She's got the jack, she's got the jack She's got the jack, jack, jack, jack, jack, jack She's got the jack

She's got the jack, she's got the jack It was a bad deal, she gave me the jack She's got the jack, she's got the jack She's got the jack, she's got the jack Can't you tel she got the jack

She's got the jack, she's got the jack She's got the jack, she's got the jack, and it hurts She's got the jack, jack, jack, jack, jack, jack She's got the jack
