

Accept, Crucified

Life is like a slot machine
Nothing's guaranteed
You might give your soul away
To cut yourself a deal

I really hate uncertainty
Will I win or lose

Ain't nothing but a game
Going insane - roll the dice again

Crucified - deep inside

I'm feeling crucified

Life is like a lottery
Can I ever win
Will it be another one
Or me - who's cashing in

Ain't nothing but a game
Going insane - roll the dice again

Crucified - deep inside
I'm feeling crucified
