

# Accept, Generation Clash II

Warnings surround you  
That life ain't long  
Same old stories  
You've heard em before

They tell you to listen  
To be like they've been  
You carry a burden  
Whatever you do

They never approve of  
The things that you do  
Revolution  
In the heart of your home

But what do they do  
To comfort you  
At times when you don't feel alright

Generation Clash  
Generation Clash - you got  
the guts to go

Bitching forever  
For wasting time  
You better not worry  
You're doing alright  
They tell you to listen  
To be like they've been

But what do they do  
To comfort you  
At times when you don't feel alright

Generation Clash  
Generation Clash - you got  
the guts to go  
Generation Clash -  
kiss those times goodbye  
Generation Clash - you got  
the guts to go

Generation Clash  
Generation Clash - you got  
the guts to go  
Generation Clash -  
kiss those times goodbye -  
the times are gone for good  
Generation Clash - you got  
the guts to go

Generation Clash - oh it's the  
generation Clash  
Generation Clash - nothing ventured  
nothing gained - so get alive  
Generation Clash ...
