

Accept, Kill The Pain

A shadow in an empty doorway I call your name but no reply
I still see your face but theres no trace
Photographs no good-byes
Seems like I must dreaming but its all here in black and white
A hollow, lost and empty feeling
They say all wounds are healed in time
But I feel worn and somehow unborn
Every days an uphill climb
Hanging on just for tomorrow but I find it hard to see the light
Im just looking for something to kill the pain tonight
[Solo]
Yeah were all looking for something to kill the pain tonight
Cmon, were all looking for something to kill the pain tonight
