

Accept, Son Of A Bitch

You make the stars
Illusions and dreams
You're what you are
D'you know what I mean

I hear you clear
See in your eyes
Lying to please
It pleases to lie

You say it's your way
You say we'll make it right to the top
Your bullshit gets me
What have you got

I don't believe
A word you say
You make me laugh
Get outta my way

You say it's your way
Now listen to what I think of you:

Son of a bitch Kiss my ass
Son of a bitch Son of a bitch You asshole Son of a bitch
Cock suckin' motherfucker I was right - take this

Uuuuuuuuuuuuuuuuh

Son of a bitch Kiss my ass
Son of a bitch, ...

Son of a bitch you asshole
Son of a bitch, ...

Cut you three times below the ass to short to shit
Two timing son of a dog
