Accept, Turn Me On

I can't wait to get you Down on the dirty floor I know it ain't a place But come on and close the door I'm coming down for pleasure For bradgames all night long Yes, indeed, I wanna have it now All what you've gotta give I'm coming to the point - where I can't hold myself You shouldn't hold it back - it has to be done Please, turn me on, turn me on, I can't hold it Please, turn me on, turn me on, I explode Can't hold it back It would be good to do in the nice way But sorry, I ain't got no time I know you would like some light But sorry, here is no lamp So, please don't stop the feeling Please, come close to me I've gotta feel your hand To bring it to an and I'm coming to the point - where I can't hold myself You shouldn't hold it back - it has to be done Please, turn me on, turn me on, I can't hold it Please, turn me on, turn me on, I explode Can't hold it back Baby, that was a hot lick But someone's banging the door Believe me, I'm sorry to stop you But I'm coming back for more It was more than I could ask for Sorry babe, I've gotta go Guess, there's more than two now Who wants to break the door Please babe, I've gotta go You have been really good I know you want some more But, what can I do - let's go ahead Please, turn me on, turn me on
