Accept, Walking In The Shadow

All my fire ain't gone inside Only with you I will survive And I live in the shadow of this wall With fifty-eight thousand all in all

I surrender - I surrender Heart'n'soul's gone to nowhere

Walking in the shadow - walking in the night Walking in the shadow - walking in the night

For the very first time in your life You've not been the last in line You had to die instead of me Do I have to live for you now

Is that what you want me to do Live in agony and pain

Walking in the shadow - walking in the night Walking in the shadow - walking in the night In the night

Walking in the shadow - walking in the night Walking in the shadow - walking in the night

Oh, yeah ! Walking in the shadow - walking in the night Walking in the shadow - walking in the night In the night - in the night
