

# Acceptance, This Conversation Is Over

I never thought I'd be the one to fool you,  
if I told you now it would be over (it's over),  
to steal all we had,  
be a part of all I've been without  
all I've been without

We stop waiting or I start going home  
You don't have to follow  
You don't have to follow  
Take this call as a hint we're moving on  
You don't have to follow  
You don't have to follow

I never got a single thing that I wanted  
I never got a single thing that I wanted  
I never spoke a single word that you told me  
I never spoke a single word that you told me  
You told me

We stop waiting or I start going home  
You don't have to follow  
You don't have to follow  
Take this call as a hint we're moving on  
You don't have to follow  
You don't have to follow

This conversation,  
information that you wanted me to share  
but I didn't want to be there  
so I'll grant you one wish that won't come true

we stop waiting (we stop waiting, take this call)  
You don't have to follow  
You don't have to follow  
We're leaving you, we're leaving  
You don't have to follow  
You don't have to follow  
We stop waiting or I start going home  
You don't have to follow  
You don't have to follow  
Take this call as a hint we're moving on  
You don't have to follow
