## Accidental Superhero, Minoleum

are you weary do you no longer lay down winter comes slowly to reach me through the down

save me i cannot save myself vaguely i don't remember how

drop down my deary to reach me where I fall you never did know me or care at, care at all

so i did a little dance as you walked away and you smiled at me and you smiled through me and you smiled, smiled and innocently looked away

save me i cannot save myself vaguely i don't remember how

save me i cannot save myself vaguely i don't remember how

save me
