

Ace Frehley, Cold Gin

My heat is broke and I'm so tired
I need some fuel to build a fire
The girl next door, her lights are out, yeah
The landlord's gone and I'm done and out
I'm done and out
Ooh, it's cold gin time again
You know it'll always win
It's cold gin time again
You know it's the only thing
That keeps us together
It's time to leave and get another quart
Around the corner at the liquor store
Cheapest stuff is uh all I need
To get me back on my feet again
Back on my feet again
Ooh, it's cold gin time again
It's cold gin time again
You know it's the only thing
That keeps us together
Ooh, it's cold gin time again
You know it'll always win
It's cold gin time again
You know it's the only thing
That keeps us together
Keeps us together
That keeps us together
That keeps us together
That keeps us together
Cold gin time again
