

# Ace Frehley, Ozone

I'm the kind of guy who likes feelin' high  
Feelin' high and dry, and I really like to fly  
I'm your kinda guy, girl I'm not too shy  
And I want you to fly, so I think you oughta try  
Ozone, ozone, ozone, ozone

I'm your kinda guy and I'm not too shy  
Feelin' high and dry, and I want you to be mine  
So I think it's time, girl, to start feeling fine  
Feeling good all the time, so I think you oughta try

Ozone, ozone, ozone, ozone

Now I'm the kinda guy who likes getting high  
Getting high and dry, and I do it all the time  
If you think it's a crime and you don't wanna try  
Something that'll make you high, then I think I'll say goodbye

'Cos I'm the kind of guy who likes getting high  
Getting high and dry, and I do it all the time  
Now I'm much too high, I am high and dry  
And I'm feelin' fine, I'm feelin' good all of the time... (to fade)
