

Ace Frehley, What's On Your Mind?

You're breakin' my heart, I'm fallin' apart, you make me crazy, crazy
You're breakin' my heart, I don't wanna start a new day, new day
I'm wreckin' my brain, I'm feelin' insane, you make me crazy, crazy
I'm changin' my ways, I'm leavin' today, but things look hazy, hazy

Chorus:

I can't express the words to tell you 'bout the feelings I got,
locked up inside

If only you would give me a reason why you're so uptight, what's on your mind?

Maybe we could make it one more time, maybe we should try it again
Maybe we could make it one more time, baby please let me know when

You're breakin' my heart, I'm fallin' apart, you make me crazy, crazy
You're breakin' my heart, I'm spinnin' apart, I'm lookin' this and that way

chorus

What's on your mind, what's on your mind, what's on your mind - tell me

Maybe we could make it one more time, maybe we should try it again
Maybe we could make it one more time, baby please let me know when

chorus repeats 3x
