

# Ace Of Base, Come To Me (Demo Version)

You're looking through my face  
Why don't you notice me  
I'm hungry  
People are passing by  
Exchanging laughs as  
Promising more to  
Come in the nights to come  
You are my date but you don't know it  
Me and myself and i are going to get you  
Sooner or later

Come to me, come to me  
Come give me all your colours  
I can see the shades of life  
With you i'm feeling free

Come to me, come to me  
Come give me all your colours  
I can see the shades of life  
With you i'm feeling free

I got a lot to give,  
And i'm gonna give a lot my baby  
I got a lot to give  
Im giving you my love  
Im giving you my love  
Standing here all alone  
Going through all our levels now  
Im changing the highest one  
Commitments to follow

Come to me, come to me  
Come give me all your colours  
I can see the shades of life  
With you i'm feeling free

Come to me, come to me  
Come give me all your colours  
I can see the shades of life  
With you i'm feeling free

Im a stranger in the night  
Without you all alone  
Im dancing with myself  
Is a long way yet to go  
Im longing for your touch  
To hold you forever on  
And on and on and on

Come come to me, come come to me  
I can see the shades of life  
With you im feeling free

Come come to me, come come to me  
I can see the shades of life  
With you im feeling free

Come to me, come to me  
Come give me all your colours  
I can see the shades of life  
With you i'm feeling free

Come to me, come to me  
Come give me all your colours

I can see the shades of life  
With you i'm feeling free
